

Learning Team Log

Group: Rachel / Chris Submission Date: 9/16, 2014

Course: Systems Analysis and Design (ITDEV-177-8001)

Instructor: Thomas Bartylla

Meeting Type:

☐ In-Person ☒ E-mail
☐ Internet Chat ☐ Teleconference
☐ Other _____

Student Name (printed)		X = Participated
Rachel SARKYA		<input checked="" type="checkbox"/>
Chris Ditt		<input checked="" type="checkbox"/>

Learning Objectives and Assigned Tasks	Activities and Outcomes
TOPIC	ENGAGING ABOUT WHAT WE SHOULD DO
COMMUNICATION	Can provide, email exchange

Students' Responsibility: Participation in Learning Team activities is an important factor in determining each student's final course grade. Team members should work together to complete this form and submit it at the workshop following the team meeting. The log should provide details regarding the meeting, the attendance/participation of members, the results and actions of the team, and reflections regarding how the team process might be improved.

Plus/Delta Exercise: What went well? What didn't go well? What will we do differently next time?

EVERYTHING WENT WELL.

Learning Team Log

Group: Rahul / Chris Submission Date: , 2014

Course: Systems Analysis and Design (ITDEV-177-8001)

Instructor: Thomas Bartylla

Meeting Type:

☒ In-Person ☐ E-mail
☐ Internet Chat ☐ Teleconference
☐ Other

Student Name (printed)		X = Participated
Rahul	Shakti	X
Chris	Dito	X
